

## Scripture of the Quarter

*“If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.”*

2 Chronicles 7:14

## Are You Prepared for God's Eminent Judgment on America?

I had intended to finish part three of the Millennial Reign of Christ, but the Holy Spirit directed me to write on something more timely. As a **Watchman on the wall**, (Ref. **Ezek. 33:8**) I should sound the alarm that the impending judgment from Almighty God is at the door. Why? Because of our rebellion, defiance, irreverence, and disobedience of God's Commandments and statutes as a nation. We as a nation have turned our backs on God and on our ally Israel!

The “deal” this current administration has made with Iran is insanity at its best. Let me get this straight—we are making a “deal” with a country who shouts “Death to America” and “Death to Israel” and wants to kill all the Jewish people and wipe Israel off of the map! Listen to this fact, since 1948 when Israel became a nation the United States has only given Israel 124 billion dollars in total aid. (**Isaiah 66:8** *Who has heard such a thing? Who has seen such things? Shall the earth be made to give birth in one day? Or shall a nation be born at once? For as soon as Zion was in labor, She gave birth to her children*). Yet included in this insane “deal” the United States will release 150 billion dollars to Iran that had been frozen as part of our sanctions against Iran. Iran in anticipation has already began to purchase weapons.

Do you see the discrepancy? God is very serious about the Jewish people because of His covenant with Abraham, and makes a clear statement as to what will happen to those who turn their backs on Israel. (According to

**Genesis 12:3** *I will bless those who bless you, and I will curse him who curses you*). The blessing that we have had as a nation will be removed, God states this fact very clearly! On 9/11, we received a wakeup call from God when He removed His hedge of protection off of America, which allowed Islamic terrorists to fly planes into the Twin Towers (who by the way were on an FBI watch list). America lost three thousand brave Americans that day. Another byproduct of the towers coming down was the

stock market had its biggest crash to that date. I have written a previous newsletter on the “Shemithah” which goes into more details. If you are interested you can go to our website and go to archives ([warriorofGod.org](http://warriorofGod.org)) and read about this mystery called the Shemithah. Have we, as a nation, **come back to God** by repentance the answer is unequivocally **NO!**

We, as a nation, have slaughtered over sixty million babies in the abortion mills of America. I want to give you some shocking statistics from George Barna of the “Christian” Barna survey group. We all think it is the secular people who keep the abortion mills in business, **WRONG!** The Barna group shows 76% of the protestant denominations believe abortions are all right and should not be stopped, 65% of abortions are performed on “Christians”, and **2000 abortions** a year are performed on **“BORN AGAIN CHRISTIANS!”** After reading these facts, if the Holy Spirit of God does not rise up inside you, to speak out to stop the slaughter of these innocent children, **YOU ARE SPIRITUALLY DEAD!** You cannot justify it! God says that He hates the shedding of innocent blood! Recently, we have all seen reports on the news, that Planned Parenthood after murdering these infants have been and are selling their body parts for financial gain. See how we justify evil! What do you think Almighty God, who sits on His throne in heaven is thinking about this nation and the people called by His name? Does the **Days of Noah** ring a bell? God makes it very clear when He states He hates the hands that shed innocent blood. It is an abomination to Him (Ref. **Proverbs 6:17** *A proud look, A lying tongue, Hands that shed innocent blood,*).

This newsletter is meant to prepare you and not scare you! If you are in the grips of the spirit of fear, you need to read your Bible on what God says; **2 Timothy 1:7** *“For God did not give us a spirit of timidity (of cowardice, of craven and cringing and fawning fear), but [He has given us a spirit] of power and of love and of calm and well-balanced mind and discipline and self-control.”* (Ref. **Amp. Bible**)

Fear is a weapon of the devil himself, and many Christians fall into his trap. What does the acronym F.E.A.R. stand for? False Evidence Appearing Real.

The Bible speaks of the righteous as lions; **Proverbs 28:1** “*The wicked flee when no one pursues, But the righteous are bold as a lion.*” (Ref. NKJV) When Jesus came the first time He was the Lamb of God, but when He returns He will come back as the LION OF THE TRIBE OF JUDAH! The King of Kings and Lord of Lords.

Have we as Christians rolled over and let the devil take over? Is history repeating itself? Remember what happened in 1962 we allowed prayer to be taken out of our schools. The very next year an atheist female named Murry O’hair had the Bible removed from our schools in 1963. In Detroit they have allowed a goat headed 8 foot tall bronze statue of Satan to be put up in readiness for the “largest public satanic ceremony in history” where people paid \$25-\$75 dollars just to get in and participate in this satanic worship ritual! My next question is where were all the Christians who should have been out there protesting this abomination to GOD ALMIGHTY? I believe, we are living in a time in which we are falling deeper and deeper into depravity, perversion, and satanic worship. We as Christians instead of protesting, and standing for Jesus and Bible Principles, and putting a stop to this madness, we are allowing the abnormal to become normal. We as a society are adjusting and accepting what is happening! NEVER EVER in my life time would I have thought that I would see a statue of Satan to be put up in any city and then have the largest satanic worship service take place. The thing that really sickens me about this is that at Satan’s feet are two small children looking up at him in awe! If you have not seen this PLEASE go on the internet and look it up.

The title of this newsletter plainly tells us Judgment from God Almighty is coming to America or the Bible isn’t true! God has given us signs to warn us of impending judgment. We all have witnessed some of the blood moons, which culminate with a Super Blood Moon on September 28, 2015, which is a bad omen for Israel. The Solar eclipses we have witnessed are bad omens for the whole world. (Ref. **Genesis 1:14**) If you are a blood bought Christian by the redeeming blood of Jesus, and do not believe judgment is at hand, you are asleep. This deep sleep which is occurring in a lot of our churches today, is because the “feel good” teaching by many Pastors, who are not warning their sheep to get prepared for what is coming. They have no urgency in their voices,

and act as though things are going to go on forever just as they always have! (Ref. **2nd Peter 3:4** Scoffers) Therefore some have become “Scoffers” and have taught their congregation to scoff also. You have a choice, you can have your ears tickled (**2 Timothy 4:3-4**) or listen to this “Watchman” and get prepared for the Selective Judgment on America which is at hand!

An ironic point in **1973** God gave David Wilkerson, a watchman, of his time prophecies and a vision of what would happen in the future, the time we live in now. They are all coming to pass. They mocked him made fun of him and some churches barred him from preaching at their churches. Some examples of what God showed him: nudity on television, food shortages, earthquakes, a financial and economic collapse, persecution of Christians, of pastors and ministries that preach the truth, and tax exempt status being removed to silence churches and ministries! WE AS THE BODY OF CHRIST NEED TO WAKE UP AS ALL THIS IS HAPPENING NOW! (Ref. The Vision and Beyond by David Wilkerson)

Now the question we must answer is—how will the judgment come? A nations judgment can come from another nation or nations. It can come from natural disaster such as **earthquakes, tornados, and hurricanes**. It can come from unnatural or man-made disaster. It can come from a strike on the land by **terrorism**. **It can come from economic and financial collapse. It can come by famine in the land.** Right now in this country we are consuming more food than is being produced, due to droughts in California and a strange fungus hitting the citrus crops in Florida.

I recently read a report that our government stated they have no more grain reserves for this nation—it is totally gone! (Ref. prophecy news watch) In case you didn’t know **40%** of the bee colonies are gone. You say so what. Well, bees, pollinate our crops without them we ARE IN TROUBLE! Our nation right now is on the verge of a food shortage! I want to go back to the financial collapse which is coming, if you have not heard of a “Bank Bail In,” you need to do your own research and decide what you will do about the money you have sitting in a bank thinking it is secure! Oh, and by the way, a lot of our U.S. Senators have taken their money out of U.S. banks and moved it to another country! I wonder why? Do they know an economic collapse in our country is about to happen?

Again, let me state this one more time **“THIS LETTER IS NOT TO SCARE YOU BUT TO PREPARE YOU.”**

Some of you may have heard of an “EMP”—it stand for Electro Magnetic Pulse. It is a nuclear device fired into the atmosphere which sends down an electromagnetic pulse which fries the electric grid. Nothing electric will function according to the experts. And your surge protector will not stop an EMP from “frying” your electronic equipment.

Did you know that it was reported by “retired Military Admiral James Lyons, of the Pacific Fleet” that Iran has EMP and the delivery system to fire it. (Ref. Trunews.com August 27, 2015) Remember America is the “Great Satan” and it is their belief there must be a war with the “West” to usher in their savior their Mahdi. Experts suggest you buy extra food and water to last a minimum of 6 months. Buy items such as rice and other items that have a long shelf life. Have extra batteries for flash lights or buy candles, and have some medical supplies available in your home. If you have any questions please call our ministry. Sheree and I recently participated in a readiness seminar for a Church in Nash as they heard what was coming and wanted to know more. Again please call as I do not have the space in this newsletter to give you more information. Remember **Hosea 4:6** (*My people are destroyed for a lack of knowledge*) don’t you be one of them.

Now, here is the good news if you abide in Jesus Christ—yes we will go through some tough times, but He is our Rock, high tower, shield, and out light in this dark world. I recommend you increase your prayer time and read the Word of God daily! Here are some scriptures to help you prepare spiritually: **Proverbs 3:5** (*Trust in the Lord with all your heart and lean not to your own understanding*). **Isaiah 26:3** “*You will keep him in perfect peace, Whose mind is stayed on You, Because he trusts in You.*” **Proverbs 3:33** “*The curse of the Lord is on the house of the wicked, But He blesses the home of the just.*” The Jewish people have a saying “I would rather be a year to early then ten minutes too late!

We do not know the time frame but we know the signs. If for any reason this is our last newsletter we ask God to keep His loving arms around you and your family. Grant His continued mercy to you! We do not want your blood or your families blood on our hands as the Lord warns in **Ezekiel 33**. LORD remember we have warned those You have placed in our path.

*Even so, come quickly LORD Y’shua (Jesus)!*

**Maran atha!**
