Scripture of the Quarter

³⁷But as the days of Noah were, so also will the coming of the Son of Man be. ³⁸For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, ³⁹and did not know until the flood came and took them all away, so also will the coming of the Son of Man be.

Matthew 24:37-39 NKJV

ARE WE LIVING IN THE DAYS OF NOAH BEFORE THE FLOOD?

As we read this Scripture, we must remember this was prophesied by Jesus Christ himself, as He was talking to His disciples. The Bible also tells us that the Apostle John wrote in **Revelation 19:10** *And I fell at his feet to worship him. But he said to me, "See that you do not do that! I am your fellow servant, and of your brethren who have the testimony of Jesus. Worship God! For the testimony of Jesus is the spirit of prophecy."*

As we look at the world around us, we can actually see; ⁵*The Lord observed the extent of human wickedness on the earth, and he saw that everything they thought or imagined was consistently and totally evil.* ⁶*So the Lord was sorry he had ever made them and put them on the earth. It broke his heart.* **Genesis 6:5-6**^{NLT}.

So, we must answer the question—was Jesus prophesying that when He comes the world will be replicating the "DAYS of NOAH," which occurred right before the flood that destroyed mankind? We are going to look at what is going on in our world in 2025. The Bible states they were eating and drinking, marrying and given in marriage, until the day Noah entered the "ARK."

In **Genesis 6:1** specifically states that in the days that preceded the Flood, *men began to multiply on the face of the earth.* So, the

human population was exponentially exploding on the earth. In fact, it is likely that by the time of Noah, there were already several million people on the earth. Again, we must ask the question is the world experiencing a population explosion as it occurred in the days before the Flood? Let's look at some statistics of Population growth:

1. AD when Jesus was born approximately 2000 years ago, the global population is estimated to have been roughly 300 million people.
2. 1800s Growth of the population finally reached 1 billion people in the early 1800s.
3. 1958 Over the next 100 years from the late Nineteenth Century, the human population doubled so that by 1958, when some were born there were approximately 3 billion people on the earth. The second half Twentieth Century brought along some exorbitant growth.
4. 1976 This year, was a time when the global population skyrocketed from 3 billion (in 1958) to more than 4 billion, — 4,142,505,882 to be exact.

Future projections: at the current rate of growth, it is projected that the world's population will reach 9.7 billion by 2050 and 10.4 billion by 2100. **Statistics were taken from Rick Renner's** current book

Fallen Angels, Giants, Monsters and the World Before the Flood.

Now let's look at **Genesis 6:2**^{NLT} *The sons of God saw the beautiful women and took any they wanted as their wives.*

Genesis 6:11-12^{NLT} ¹¹*Now God saw that the earth had become corrupt and was filled with violence. ¹²God observed all this corruption in the world, for everyone on earth was corrupt.*

These two scriptures talk about the Fallen Angels going into women who were beautiful and created Giants or Nephilim. Sexual perversion was rampant on the earth and violence also was rampant. In the book of Enoch which is not canonized but gives more information on the Fallen Angels.

The book of Enoch documents and goes along with the Narrative in **Genesis 6**. What these Fallen Angels taught mankind which went against God's original plans for sex, including sex with animals. First **Enoch 7:1-5** tells us the following; *And they the Giants began to sin against birds, and beasts, and reptiles, and fish and to devour one another's flesh, and drink the blood.*

Think about this in today's society, in the occult practices they have satanic rituals where they **actually drink blood!**

And in our society today you have men having sex with another man, women having perverted sex with another woman. In my opinion as the author of this newsletter; we are acting just like in the "Days of Noah" prior to the Flood where God destroyed **all mankind** for violence and sexual perversion which is being replicated in our society today.

It is unthinkable, but the sex trafficking and porn industries combined generate nearly \$250 billion annually and continue to exponentially grow. And also, in our society

we are teaching our children that there are more than two genders which goes against the Laws of God; **Genesis 2:21-22^{NLT} 21** *So the Lord God caused the man to fall into a deep sleep. While the man slept, the Lord God took out one of the man's ribs and closed up the opening. 22* **Then the Lord God made a woman from the rib, and he brought her to the man.**

All of this proves we are a delusional society: **2 Thessalonians 2:10-12^{NLT} 10** *He (Satan) will use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them. 11* **So God will cause them to be greatly deceived, and they will believe these lies. 12** *Then they will be condemned for enjoying evil rather than believing the truth.*

Now we are going to talk about transhumanism **Genesis 6:4^{NLT}** *In those days, and for some time after, giant Nephelites lived on the earth, for whenever the sons of God had intercourse with women, they gave birth to children who became the heroes and famous warriors of ancient times.* So, we see this scripture tells us these children that were born to the Fallen Angels, were half man and half hybrid.

The foundational belief of transhumanism is that human beings are weak, and poor, both physically and morally. Therefore, to improve the human experience—which includes overcoming aging, disability, disease, and mental limitations—there must be a convergence between humans and technology to create transhumans.

In an article titled, **“US SUPER SOLDIERS OF THE FUTURE WILL BE GENETICALLY MODIFIED TRANSHUMANS CAPABLE OF SUPER HUMAN FEATS,”**

These super soldiers will be able to run faster than Olympic gold medalists, no need for food or sleep for days, regrow lost limbs, and outlift Olympian weightlifters and communicate telepathically. The ultimate goal of transhumanists is to reach what is called singularity a term meaning when humanity and technology merge and go beyond the limits God has in place for His creation. The goal of transhumanists is to escape death and live forever by uploading one's mind to computers, cloning, or by other means of technology.

What does God's Word say about dying? **Hebrews 9:27^{NLT}** *And just as each person is*

destined to die once and after that comes judgment,

This is a good place to talk about God's plan for all mankind instead of this secular humanistic view of most of the world today. It is simple and you don't have to hook up to a computer or put a brain chip in your head. **John 3:16^{NLT}** *“For this is how God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life.*

A quote from Pastor Jimmy Evans *“the human seed is sacred and creates humans made in God's image. Man has NO RIGHT to manipulate or try to improve on what God has done. I'm not talking about good people using medical technology to help people using medical technology to help people or cure them. I'm talking about arrogant men taking the place of God and trying to improve and immortalize ourselves so we become our own god's—What God has done cannot be improved upon, and we should leave the human seed alone except for helping people.”*

Now let's talk about evil intentions. In **Romans 1:30^{ESV}** *slanders, haters of God, insolent, haughty, boastful, inventors of evil, disobedient to parents,*

Question is the world today in 2025 experiencing a rise in evil in the heart of man as it occurred in the days before the Flood? The answer is a resounding YES! The world we live in is practicing witchcraft everyday meaning people manipulate others to get what they want. Demonic activity is rising every day, perverted sexual immorality is ever increasing. A recent publication talks about “sexbots” a robot you can have sex with to fulfill your sexual fantasies. All of this is a sign of “every imagination of the thoughts of (man's) heart (is) only evil continually” (see **Genesis 6:5**).

The one thing that is pure evil which comes to my **mind** is murder of our own children, it is identified as **ABORTION!** Remember bloodshed was wide spread before the Flood. I'm going to give you just a few numbers on abortions that have been carried out. China from 1971-2020, China aborted the equivalent of the entire population of the United States, plus nearly **162 million more.** This is a staggering statistic; everyday world wide **125,000 abortions are carried out daily.** We have become a barbaric people just

like before the Flood of “Noah.” (Ref. **Rick Renner statistics**).

The last thing I will cover is violence that was going on before the Flood of “Noah.” Violence was so prevalent across the earth God concluded the only way to cleanse the earth of this violence was to send a Flood. (Ref. see **Genesis 6:11 and 13**). We must never forget what **Jesus stated in Matthew 24:37^{NLT}** *“When the Son of Man returns, it will be like it was in Noah's day.* All you have to do is turn on the news and see all the violence being committed daily by all the illegal immigrants have been allowed to come across the border from the past administration. As well as citizens committing crimes. The Apostle Paul revealed in his writings (see **2 Timothy 3:1-5**), that society would turn violent at the end of the age. As barbaric and violent as society has been in past times and in the days before the Flood, the level of violence that will mark the end of the age will be greater than we have ever known in our generation. This is something to not only think about, but also pray God will protect the remnant, children of God (see **John 1:12**). Most of us remember when we were in school there were no metal detectors or police officers in the schools. We all know the reason for the school shootings and violence. We, as a society said “God, we don't want you in our lives and removed the Ten Commandments from all classrooms and the daily Bible Reading that went over the P.A. system every day.”

We have a newly elected Commander in Chief who is making changes in the U.S. that is influencing the whole world. Please continue to pray for God to use him for God's glory, because in four years he will be gone, therefore make sure that you are in the will of the LORD and for the Holy Spirit to guide you in your choices and His will to be done in your life and your family! **Don't become complacent** for the time is coming that those who continue to make plans (W.E.F. World Economic Forum) for the new world order to happen as the Word of God plainly states in the Book of Revelation will happen.

In closing I want to thank **Rick Renner** who penned the book entitled: ***Fallen Angels, Giants, Monsters and the World Before the Flood.*** In this newsletter as I mentioned I used many excerpts and statistics from this tremendous book. Rick is a Greek scholar and a **TRUE MAN OF GOD!**
