

Scripture of the Quarter

*And Jesus answered and said
to them: "Take heed that no one deceives you."*

Matthew 24:4 NKJV

Artificial Intelligence (A.I.)

The Holy Spirit put this in my spirit to write this newsletter on A.I., and how many are already being **deceived** by what was created as a super-fast Data Base, that will be used as a false intelligence system for nefarious purposes.

Just in case you forgot—we serve a Mighty and Holy God and He is Omniscient, Omnipresent, and Omnipotent. This newsletter is a warning, not to fall for this trap of the devil, as it is all evil based and will be used by the antichrist and the new world order. It is not anything to help you gain more knowledge about Jesus and all His precious promises listed in His Word. As a matter of fact, it currently offers to rewrite scripture verses for you on Facebook. As well as you can get it to write sermons for you in just a few minutes. Let that sink in.

I want to list some facts about A.I. The Bible reveals in the last days, which we are living in, says this "people will be without natural affection. (Ref. 2 Timothy 3:1-3^{NKJV})

¹But know this, that in the last days perilous times will come: ²For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, ³unloving, unforgiving, slanderers, without self-control, brutal, despisers of good.

Another Scripture that comes to mind is found in: Romans 1:30^{NKJV} ³⁰backbiters,

haters of God, violent, proud, boasters, inventors of evil things, disobedient to parents. Think about this as A.I. becomes more popular to those who are already deceived or don't follow the **Messiah, Jesus Christ** are engulfed in the human realm of romance, sexuality, and marriage. And right now, A.I. lovers already exist in virtual reality. As people are getting more and more attached to, dependent on, and addicted to their computers, ipads, and smart phones, a new component of man machine relations has entered our society today. Already a lot of men and women are already involved in a romantic relationship with their A.I. girlfriend or boyfriend. In essence they are favoring A.I. over a natural relationship with another human. WHY? The answer is this, their A.I. lovers are not subject to getting tired, being moody, irritable, angry, or uncompassionate.

So, this gives these "perfect" lovers an advantage over their flesh and blood competitors. The danger of A.I. lovers is just not plaguing the unmarried, but to the married as well. Here comes another future statistic that A.I. will cause; A.I. lovers in their pursuit of happiness, ending up leaving their spouses and families.

This is why, we as followers of the Messiah must be rooted and grounded in the Word of God. (Ref. Ephesians 3:17^{NKJV}) *that Christ may dwell in your hearts through*

faith; that you, being rooted and grounded in love.

Here is more scriptural proof that we as a Nation have turned our backs on the Almighty God and are now worshipping the creation of man instead of the **Creator God.**

Romans 1:18-20^{NKJV} *¹⁸For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who suppress the truth in unrighteousness, ¹⁹because what may be known of God is manifest in them, for God has shown it to them. ²⁰For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse.*

This scripture was written well over 2,000 years ago by Paul the Apostle and is applicable to our society today as we worship things created by man!

We are living in a secular human society that has fallen in love with **technology made by man** and **not God**. When you look to something that has a name attached to it such as A.I. or most know it as Artificial Intelligence. Let's stop here and see what the word artificial means; **In the dictionary it is defined as made or produced by human beings (men or women)** rather than occurring naturally (God made) especially as a copy of something natural.

Now, let me understand - you would rather follow and worship something a man made instead of God. **REALLY?** As I continue, you are going to see how some people who lack knowledge of God are worshipping things such as robots.

Before I continue, question; *Can A.I. save you from the wrath of God which is coming soon?* **John 3:36** *He who believes in the Son has everlasting life; and he who does not believe the Son shall not see life, but the wrath of God abides on him.* *Can A.I. save you as Jesus said in; John 3:3^{NKJV} Jesus answered and said to him, "Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God.*

Just these two questions I asked, should really make you realize you need Jesus Christ and not a robot of any kind any A.I. in your life. But the enemy the devil has **blinded** some people about the wonderful truth of the Gospel.

(Ref. 2 Corinthians 4:4^{NKJV}) *whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.*

What I'm going to quote in this newsletter was taken from an article written by a reporter named Rob Waugh, a writer who works for the Daily Mail.com.

He writes, six-foot robot priests, are delivering sermons and conducting funerals, A.I. is writing Bible verses and ChatGPT is being consulted as if it were an oracle. Some religious organizations, like the Turing Church founded in 2011, are based on the notion that A.I. will be put human beings (man or woman) on a par with God-like aliens giving them super intelligence. He continues, an expert in human computer interaction told Daily Mail.com that such individuals who are following A.I. powered prophets may believe the "tech" is alive. The personalized, intelligent-seeming responses offered by bots, such as ChatGPT, are also luring people to seek meaning from the technology. Lars Holmquist, a professor of design and innovation at Nottingham Trent University, told Daily Mail.com. Holmquist said; The results of generative A.I. are very open for interpretation, so people can read anything into them. There have also been examples of people interpreting A.I. chat bots as being conscious-which they most definitely are not-which raises very

interesting theological issues for those who believe humans are a unique creation!!

Robot priest Mindar is six feet four inches tall and has been reciting the Heart Sutra mantra to pilgrims since 2019 at a Buddhist temple in Kyoto, Japan. With a silicone face and camera 'eyes, it uses A.I. to detect worshippers and deliver mantras to them in Japanese, which are accompanied by projected Chinese and English translations for foreign visitors.

I want to give you one more example that I hope and pray you turn to Jesus who can save you as no A.I. can nor ever will be able to.

Another group of people who believe in this Satan creation of A.I. are "transhumanists," who believe that in the near future, A.I. may resurrect people as God-like creatures.

I could have gone on and on of how many people are being deceived as Jesus warned; **(Ref Luke 21:8)** *And He said: "Take heed that you not be deceived. For many will come in My name, saying, 'I am He,' and, 'The time has drawn near.' Therefore, do not go after them.*

As you can read that last part of this scripture gives you a WARNING; DO NOT GO AFTER THEM idols false gods or A.I.

Think about this—A.I. wants to be worshipped. Does that sound familiar? Let me remind you in case you forgot or have been deceived; **(Ref. Matthew 4:9-10^{NKJV})** *9And he said to Him, "All these things I will give You, if You will fall down and worship me." 10Then Jesus said to him, away with you, Satan! For it is written, 'You shall worship the Lord your God, and Him only you shall serve.'*

How to Keep Yourself from Being Deceived

You need to have a physical Bible in your possession, in your home, where you can compare what is being fed to you on the internet, on your phone, read the written Word and study it, so that you will not be deceived. **(Ref. 2 Timothy 2:15^{AMP})** *Study and do your best to present yourself to God approved, a workman [tested by trial] who has no reason*

to be ashamed, accurately handling and skillfully teaching the word of truth.

If you don't know what The Word of God says, how will you know that the rewritten Word of God is True or False? Therefore, study to show yourself approved! Follow God's warnings and stand on His promises.

Genesis 1:1^{NKJV} *In the beginning God created the heavens and the earth.*

Psalms 147:4 *He counts the number of the stars; He calls them all by name.*

Matthew 10:30 *But the very hairs of your head are all numbered.*

Matthew 10:31 *Do not fear therefore; you are of more value than many sparrows.*

John 14:6^{NKJV} *Jesus said to him, "I am the way, the truth, and the life. No one comes to the Father except through Me.*

All of the above scriptures show you **Almighty God** should be your source, not some A.I. or a robot of any kind. God made this promise to all who believe in and follow Jesus Christ; **John 3:16^{AMP}** *"For God so [greatly] loved and dearly prized the world, that He [even] gave His One and only begotten Son, so that whoever believes and trusts in Him as Savior shall not perish, but have eternal life.*

Remember—A.I. or a robot priest can not forgive you of your sins and cleanse you from all unrighteousness by the precious blood Jesus shed on the cross at Calvary. Only Jesus Christ can love, forgive and heal.

In closing; Father, I pray in the Mighty name Of Jesus that those who don't know you as their Lord and Savior will seek You this day so, that they will not be deceived by A.I. who can't love them the way You did by sacrificing Your life by death on a cross so that their sins can be forgiven.

Romans 10:9-10^{NKJV} *9that if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. 10For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.*
